INSPIRED SPACES. TIMELESS STYLE.

About Our Company

Glance Home Decor is a leading manufacturer and exporter of premium home textile products.

Our wide range includes **cushions, bath rugs, carpets, rugs, and beach towels**, designed to combine comfort, quality, and style.

We specialize in **handcrafted floor coverings**, especially **bath rugs and bathmats**, made with exceptional attention to detail by skilled artisans.

Our products are primarily made from **100% cotton** and other sustainable materials, making them both durable and eco-friendly. In addition to cotton, we work with a variety of high-quality yarns, including **jute, chenille, and polyester**, to create innovative designs that meet the evolving needs of customers around the world.

Manufacturing Capabilities

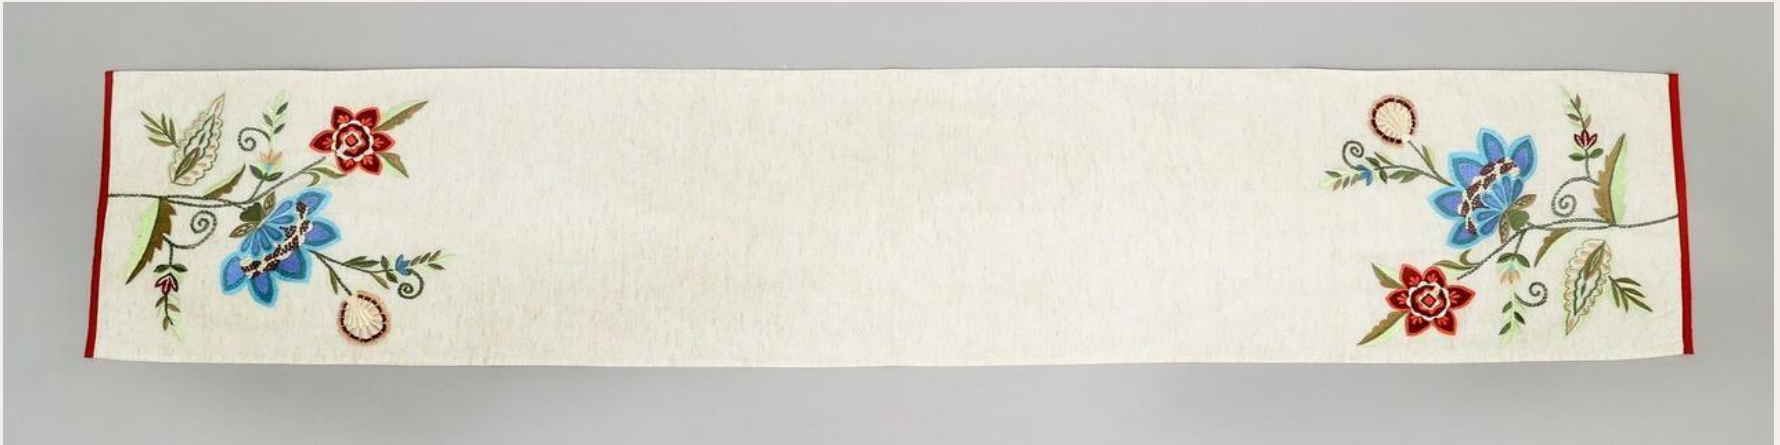

Our state-of-the-art manufacturing unit ensures prompt delivery and places us at the forefront of the industry. We house all manufacturing processes under one roof, encompassing in-house production of cotton canvas backing cloth, weaving on handlooms, pit looms, and power looms, tufting needle machines, checking, finishing, and inspection facilities, washing and dry cleaning as required, and a packing warehouse that offers the flexibility of packing in corrugated cartons or Hessian/PP packaging based on customer preferences. This facility is equipped to dispatch over 5–10 no. x 40 ft. high cube containers monthly, with a lead time of 70 days.

Products Range

Our product line encompasses a diverse range of home décor items, including hand-knotted, woven, bags and printed cushions, hand-knotted and woven poufs, bed covers, printed or woven throws, bath rugs, hand-tufted and loomed carpets, and printed or woven beach towels.
